FORMATION, VISION, MISSION, PRINCIPLE & VALUES

01

Founder & President

Sankar Halder, born on Sunderban Island and raised amidst economic and social challenges, became an IT professional.

After establishing his career, he is now driving significant positive social change in the Sundarbans and beyond.

02

Formation

In 2003, Sankar Halder formed a social group to engage the local community of Sundarban in societal development, which was officially registered as Mukti in 2005

03

Principle

At Mukti, we are committed to identifying the root causes of societal challenges and creating holistic solutions. We believe that monetary assistance alone cannot bring about meaningful and lasting change.

VISION

To inspire and engage communities in fostering participatory, inclusive and holistic development, ensuring sustainable progress by bridging critical gaps in the social sector.

MISSION

To work as a HEALER-AID for our society in the area of Health, Education, Agriculture, Livelihood, Environment, Rights, Awareness, Integrated Development , Disaster Response.

VLAUES

- Truth, Peace and Love
- Participatory, Inclusive and sustainable
- Integrity , transparency and respect
